Be a part of Canada's Premiere ICT Events

Dear Exhibitor,

Inside you will find everything you need to know about COMMTECH EAST.

This show has always been about content and value since its inception in 2006.

Booth packages include all the necessities to simplify expense accounts and make it easy on the budget. We are very grateful for the amazing support this industry has provided and the generous sponsors who allow us to offer many extra benefits for all who attend and help drive attendance.

Our goal each year is to increase the number of attending companies. In 2017 this number increased by 25%!

COMMTECH EAST provides the perfect opportunity to meet with existing and potential customers to drive new sales for your business. This show offers a cost-effective solution to reach buyers, influencers and decision-makers from across multiple communication industries. COMMTECH is not an association. We have no political interests and reach out to all Information Communication Technology industries and associations. From training seminar opportunities to valuable networking, the Canadian CommTech Show & Seminars delivers results for our exhibitors.

We are excited to announce that in 2018 an Awards Gala will be added to our offerings. CommTech will give back to our community by recognizing and awarding those Canadians who have made a difference.

As an added exhibitor incentive, we offer **early bird savings of \$150**, and a multi-show discount of **5% off booth fees**, when you register for both COMMTECH shows. We also provide **5% off sponsorship fees**, when you sponsor both shows.

Be sure to check out the Sponsorships available for new opportunities to promote your Company!

We look forward to having you participate as a valued Exhibitor and/or Sponsor at COMMTECH EAST. If you have any questions, contact us at the number above.

Respectfully,
Linda Guzman
President, DazzleMe Productions
